22  
23 **PART I. PURPOSE, BACKGROUND, AND AUTHORITY**

24 The purpose of the proposed Chapter 843 rule change is to comply with Senate Bill (SB) 374,  
25 passed by the 84th Texas Legislature, Regular Session (2015). SB 374, relating to state agencies'  
26 participation in the federal electronic verification of employment authorization program,  
27 E-Verify, amends Texas Government Code, Chapter 673, by adding that state agencies and  
28 institutions of higher education as defined by Texas Education Code §61.003 are required to use  
29 E-Verify for all newly hired employees.

30  
31 Additionally, the Agency has provided notice, registration information, and online forms for the  
32 E-Verify program to all agency heads, human resource directors, and university presidents. The  
33 Agency also will provide technical assistance, upon request.

34  
35 **PART II. EXPLANATION OF INDIVIDUAL PROVISIONS**

36 (Note: Minor editorial changes are made that do not change the meaning of the rules and,  
37 therefore, are not discussed in the Explanation of Individual Provisions.)

38  
39 **SUBCHAPTER A. GENERAL PROVISIONS**

40 **The Commission proposes the following amendments to Subchapter A:**

41  
42 **§843.3. Public Employer Requirements Regarding E-Verify**

43 New §843.3(a) adds that state agencies and institutions of higher education must register and  
44 participate in the federal electronic verification of employment authorization E-Verify for all  
45 newly hired employees, as required by Texas Government Code §673.002.

1 New §843.3(b) adds that, in accordance with Texas Government Code, §673.002, the Agency  
2 shall provide notice, registration information, and online forms for the E-Verify program to state  
3 agencies, and may provide technical assistance, upon request.  
4

5 **PART III. IMPACT STATEMENTS**

6 Randy Townsend, Chief Financial Officer, has determined that for each year of the first five  
7 years the rules will be in effect, the following statements will apply:  
8

9 There are no additional estimated costs to the state and to local governments expected as a result  
10 of enforcing or administering the rules.  
11

12 There are no estimated cost reductions to the state and to local governments as a result of  
13 enforcing or administering the rules.  
14

15 There are no estimated losses or increases in revenue to the state or to local governments as a  
16 result of enforcing or administering the rules.  
17

18 There are no foreseeable implications relating to costs or revenue of the state or local  
19 governments as a result of enforcing or administering the rules.  
20

21 There are no anticipated economic costs to persons required to comply with the rules.  
22

23 There is no anticipated adverse economic impact on small businesses or microbusinesses as a  
24 result of enforcing or administering the rules.  
25

26 Economic Impact Statement and Regulatory Flexibility Analysis

27 The Agency has determined that the proposed rules will not have an adverse economic impact on  
28 small businesses, as these proposed rules place no requirements on small businesses.  
29

30 Doyle Fuchs, Director of Labor Market and Career Information, has determined that there is no  
31 significant negative impact upon employment conditions in the state as a result of the rules.  
32

33 Reagan Miller, Director, Workforce Development Division, has determined that for each year of  
34 the first five years the rules are in effect, the public benefit anticipated as a result of enforcing the  
35 proposed rules will be to provide state agencies accurate and pertinent information for new hire  
36 employment authorization by enhancing hiring practices that will increase accountability and  
37 provide cost savings to state agencies by using an electronic employment verification system  
38 while complying with federal requirements.  
39

40 The Agency hereby certifies that the proposal has been reviewed by legal counsel and found to  
41 be within the Agency's legal authority to adopt.  
42

43 **PART IV. COORDINATION ACTIVITIES**

44 In the development of these rules for publication and public comment, the Commission sought  
45 the involvement of Texas' 28 Boards. The Commission provided the concept paper regarding  
46 these rule amendments to the Boards for consideration and review on August 25, 2015. The  
47 Commission also conducted a conference call with Board executive directors and Board staff on

1 September 11, 2015, to discuss the concept paper. During the rulemaking process, the  
2 Commission considered all information gathered in order to develop rules that provide clear and  
3 concise direction to all parties involved.

11 The rules are proposed under Texas Labor Code §301.0015 and §302.002(d), which provide the  
12 Texas Workforce Commission with the authority to adopt, amend, or repeal such rules as it  
13 deems necessary for the effective administration of Agency services and activities.

14
