Applying over the Internet is fast, easy, and secure

Most people can apply for benefits and manage their unemployment claims online through [Unemployment Benefits Services](#).

However, if you worked in Massachusetts, Wisconsin, or Puerto Rico in the past 18 months, you must call the Texas Workforce Commission (TWC) Tele-Center at **800-939-6631** instead.

Here's what you need to get started ...

When you apply for benefits, you will need your:

- Social Security number
- Last employer's business name, address, and phone number
- First and last dates (month, day, and year) you worked for your last employer
- Number of hours you worked and your pay rate if you worked during the week you apply (including Sunday)
- Military employment (service) start/end dates and a copy of your DD Form 214(s)(member copy 4 through 8), if you served in the military during the past 18 months
- Alien Registration number (if not a U.S. citizen or national)

Tax Withholding Option

Unemployment benefits are taxable income. You must report all the unemployment benefits you receive on your federal tax return.

You can ask TWC to take federal income taxes out of your benefits, and we will withhold 10 percent of each payment to go toward your taxes. The choice is up to you. TWC will not withhold benefits unless you choose the **Withholding Option**.

How to Choose Tax Withholding

You will find the Withholding Option at the end of the Personal Information section.

Payment Option

How Do You Want to Receive Your Benefits?

There are two ways to receive unemployment benefits:

- Debit card
- Direct deposit to your United States bank or credit union account

New Claimants. For *new* claimants the default method is debit card. To change your payment method to direct deposit, select **No** on the Payment Option page, and you will be directed to the Change Payment Option screen.

Returning Claimants. For returning claimants the Payment Option screen shows the payment method we have on file for you. To change your payment method, select **Yes** and complete the Change Payment Option screen.

The screenshot shows the 'Apply for Benefits: Payment Option' page on the Texas Workforce Commission website. The page has a dark blue header with the TWC logo and the text 'Unemployment Benefit Services'. A sidebar on the left lists the application progress: Personal Information, Employment Information, Continuing Requirements (highlighted), Review and Submit, Claim Confirmation, and Next Steps. The main content area is titled 'Apply for Benefits: Payment Option' and includes a note that an asterisk indicates required information. Under the 'Current Payment Option' section, it states 'TWC offers two ways to receive payment:' followed by two bullet points: 'Direct deposit into your personal bank account, or' and 'TWC Debit Card'. Below this, it asks 'If you want TWC to deposit your benefit payments on the TWC Debit Card, please select "Yes" below.:' with radio buttons for 'Yes' and 'No'. The 'Yes' option is marked with a red asterisk. At the bottom, there are 'Next' and 'Previous' buttons.

Verify Your Payment Method

Returning claimants must verify their payment method, and change it if necessary, or they may have difficulty receiving their benefit payments.

Change Payment Option

To change your payment option to direct deposit, you must provide:

- The nine-digit routing number for your United States bank or credit union
- Your account number and account type (checking or savings) *as printed on a check*, not a deposit slip.

Note: If you are not sure about your routing and account numbers, contact your bank or credit union before you try to sign up for direct deposit.

The screenshot shows the 'Apply for Benefits: Change Payment Option' form on the Texas Workforce Commission's website. The form is titled 'Apply for Benefits: Change Payment Option' and includes a progress bar on the left with steps: Personal Information, Employment Information, Continuing Requirements (selected), Review and Submit, Claim Confirmation, and Next Steps. The main content area explains that TWC sends direct deposit account information to the user's bank or credit union for verification. It offers two payment options: Direct Deposit (selected) and TWC Debit Card. A note states that choosing a payment option does not affect eligibility. The form requires the user to provide bank or credit union account information, including a routing number (nine digits long, first two in range 01-12 or 21-32), an account number (up to 17 digits, excluding check number), and a retype of the account number. The account type can be Checking, Savings, or Not Applicable. A warning advises using a check, not a deposit slip, for routing and account numbers. Below the form is a sample check from Jane Doe, 1234 Main St., Apt. 101, Austin, TX 78704, dated 10/01, payable to the order of [redacted]. The check includes fields for routing number and account number, with a red 'X' over the routing number field. The form concludes with 'Next' and 'Cancel' buttons.

If you sign up for direct deposit, it takes eight banking days for TWC to verify your account information with your financial institution. On the ninth business day, TWC can submit a payment to the direct deposit account if you are eligible for payment. If you submit information your bank cannot confirm, TWC will pay you by debit card instead.

- **Your application for Unemployment Benefits has been submitted.** TWC will contact you if any additional information is needed. Please allow two business days for TWC to review and process the information that you have submitted before you check the status of your claim.
- **Register for Work:** You must register for work within three business days of applying for benefits. See the [Register for Work](#) section for instructions.
- **Request Payment on Time:** You must submit your payment request on time to receive unemployment benefits. Request payment every two weeks using [Unemployment Benefits Services](#) or [Tele-Serv](#). Request payment even if you have not heard from TWC that a decision has been made on your claim, otherwise you may cause a delay in payments.
- **Report Work:** If you are working and requesting unemployment benefits, you must report your earnings and the hours you worked for each week you request benefit payments. There are no exceptions.
- **Read and follow all instructions** you receive from TWC and [Workforce Solutions Offices](#), and respond as instructed. Ignoring mail and phone requests from TWC may cause a delay or denial of your unemployment benefits. Your benefits depend on you following all the instructions in the Unemployment Benefits packet we mail to you. If you do not receive the packet within seven business days, call a [TWC Tele-Center](#) at (800) 939-8831 to request another copy.

Next Steps and Requirements (continued)

Waiting Week

TWC cannot pay you for the first week of your claim, also known as the [waiting week](#), until you return to full-time work or exhaust your benefits. If you return to full-time work before exhausting your benefits, you must inform TWC in order to receive your waiting week payment. To report that you returned to full-time work, you must:

- Select [Request your Waiting Week](#) from ui.texasworkforce.org or
- Call Tele-Serv at 800-558-8321 and select Option 2 and then Option 4, or
- Call a Tele-Center at 800-939-8631 to speak to customer service staff.

You must meet **ALL** of these ongoing requirements to be eligible for benefits:

- Register for work.
- Search for [suitable work](#) and keep a record of your work search activities.
- Request payment.
- Be [physically and mentally able to work](#).
- Be [available for work](#).

Waiting Week

Eligibility Requirements

- Register for work
- Search for work and keep a record of your work search
- Request payment on time
- Be physically and mentally able to work
- Be available for full-time work

Next Steps and Requirements (continued)

Register for Work

You must be registered for work during each week you request benefits. Complete your work registration within three business days of applying for unemployment benefits. You must use your Social Security number when you register.

- To register for work on the Internet, proceed to WorkInTexas.com to register for work and search for a job. You must use your Social Security Number when registering on WorkInTexas.com. If you have previously registered for work, update your employment and contact information OR

- Register for work in person at a local [Workforce Solutions Office](#): WF SOL NCT WAXAHACHIE

[Workforce Solutions Office](#) Address: 1712 W 287 BUSINESS
WAXAHACHIE, TX 75165

[Workforce Solutions Office](#) Phone Number: ---

Search for Work

You must complete at least 5 work search activities per week and keep a record of your activities to receive benefits. TWC may ask for your [work search log](#) (PDF) at any time so keep it up-to-date.

TWC offers work search assistance to help you get the best-paying job available. To be eligible for benefits, you must look for and accept [suitable work](#).

For the first eight weeks of unemployment you should consider [suitable](#) positions that pay at least 90 percent of your [normal wage](#), but not less than the federal minimum wage which is \$7.25 per Hour, or no less than your state's minimum wage, if it is higher than the federal. Your normal wage is \$7.25 per Hour so 90 percent of that value would be \$6.53 per Hour. If you are still unemployed after eight weeks, lower your wage requirement to 75 percent of your normal wage, or to your state's or the federal minimum wage, whichever is higher.

TWC will use these wage levels to match you with suitable positions and will refer you to jobs within this pay range.

You must register for work within three business days of applying for benefits:

- Register for work in the state where you reside.
- Texas residents must register with WorkInTexas.com or in person at a [Workforce Solutions office](#).

TWC will send you a letter specifying how many work search activities you must complete each week.

- Document your work search activities.
- Apply for and accept suitable work.

Calculating Your Biweekly Payment Day

Example 1 – Normal Payment Request Schedule:

You request payment on a Monday during your first week. You would SKIP the next Monday in week 2, and then request payment on the Monday after that in week 3. Then you would skip the Monday in week 4 and request payment again on the next Monday.

Example 2 – You Miss One of Your Filing Days:

You request payment on a Tuesday during your first week. You skip the next Tuesday in week 2, but then miss the Tuesday after that in week 3. To stay on schedule, you would request payment on any of our open filing days during week 3. You would then skip the Tuesday in week 4, and request payment again on the next Tuesday after that.

Example 3 – You Miss a Filing Week:

You request payment on a Wednesday during your first week. You skip the next Wednesday like you should, but then forget to file on the Wednesday in week 3 and do not request payment during our open filing days that week. You should try to request payment as soon as possible. If the system tells you your payment request is late, you must call the Tele-Center at 800-939-6631 and tell a customer service representative (CSR) that your payment request was late. The CSR will inform you when to request payment next.
