Assumptions:

- The Program Year (PY) 2015 AEFLA State Grant is the period of availability for FY 2015 State Award Allocations of Federal Adult Education and Literacy Act State Grants beginning July 1, 2015. The PY 2015 AEFLA State Grant for Texas (as announced by the Office of Vocational and Adult Education, U.S. Department of Education, April 6, 2015) is \$56,296,032, of which the subset award for English Literacy and Civics Education (EL/Civics) totals \$6,229,829.
- All State Administration (NTE 5 percent) and State Leadership Activities (NTE 12.5 percent) applied against the non-EL/Civics federal funds amount.
- State Administration amount totals \$2,814,802 and State Leadership Activities amount totals \$7,037,004 in federal funds and \$2,377,140 in state general revenue matching funds.
- Local awards of AEFLA State Grant funds (exclusive of EL/Civics) total \$40,214,397 of federal funds.
- The \$40,214,397 of AEFLA Grant funds plus \$6,229,829 in EL/Civics grant funds totals \$46,444,226, which is the required 82.5 percent of the AEFLA State Grant total which must be local awards.
- \$40,214,397 is the allocation total for AEFLA non-EL/Civics funding based on the PY 2015 federal award. Added to this amount is \$612,917 in carry-forward of prior-year AEFLA funds. The amount allocated of these funds on the basis of the relative proportion of the number of individuals aged 18 and older without a secondary degree and not enrolled in school is \$40,827,314. An equal base amount of .1 percent (2.8 percent in the aggregate) is applied, in concert with §800.68(b) of TWC Rules.
- State General Revenue (G.R.) Matching Funds total \$11,885,700, at least 80 percent of which will be allocated to LWDA's. The amount allocated of these funds on the basis of the relative proportion of the number of individuals aged 18 and older without a secondary degree and not enrolled in school is \$9,508,560. An equal base amount of .1 percent (2.8 percent in the aggregate) is applied, in concert with §800.68(c) of TWC Rules.
- \$70.8 million in PY 2015 is allocated among all states by the U.S. Department of Education, 65 percent on the basis of each state's relative proportion of national EL/Civics absolute need, and 35 percent on the basis of states experiencing growth in the number of legal permanent residents during the most recent 3-year period. EL/Civics absolute need is determined by calculating each state's relative proportion of a 10-year average of the most recently-available U.S. Department of Homeland Security (DHS) data on immigrants admitted for legal permanent residence. The EL/Civics PY 2014 Award Amount for Texas (as announced by the Office of Vocational and Adult Education, U.S. Department of Education, March 19, 2014) is \$6,032,313. An equal base amount of 1.0 percent per LWDA (28 percent of the allocation in the aggregate) has been applied, in concert with §800.68(d)(2) of TWC Rules.

<sup>1</sup> The Adult Education and Literacy (AEL) Program consists of federal funds from the Adult Education and Family Literacy Act (AEFLA), CFDA 84.002 [Adult Education Basic Grants to States], as authorized by the Workforce Innovation and Opportunity Act, Title II, Section 211(c); State General Revenue (G.R.) matching funds; and State-appropriated federal Temporary Assistance for Needy Families (TANF) funds and TANF Maintenance of Effort (MOE) funds.

<sup>2</sup> Estimate announced by the U.S. Department of Education, Office of Vocational and Adult Education, April 6, 2015.

<sup>3</sup> Program Year (PY) 2015 is the period of availability for FY 15 State Award Allocations for Federal Adult Education and Literacy Act State Grants, beginning July 1, 2015.

<sup>4</sup> English Literacy and Civics Education (EL/Civics). This is a separate award announced by the Office of Vocational and Adult Education also on April 6, 2015, and is included in the AEFLA award total.

<sup>5</sup> Carry-forward to LWDA and Federal AEFLA State Administration Carry-forward Funds are prior-year funds available for expenditure in PY 2015.

<sup>6</sup> Federal TANF FY 2016 amounts will become available for expenditure beginning September 1, 2015.

<sup>7</sup> Total Available (\$50,066,203) represents allotments on the basis of each State's proportion of national AEFLA qualifying adults.

<sup>8</sup> The Total Available for Federal AEFLA Funds EL/Civics Award (\$6,229,829) represents the federal allotment to Texas of the total \$71.4 million (PY 2015) available for all states, allocated 65 percent on the basis of a state's proportion of national EL/Civics absolute need, and 35 percent on the basis of states experiencing growth in the number of legal permanent residents during the most recent 3-year period. EL/Civics absolute need is determined by calculating each state's proportion of a 10-year average of the most recently-available U.S. Department of Health and Human Services data for immigrants admitted for legal permanent residence. All of the requirements of WIOA, Title II, Subtitle A, Section 222(a) apply to these funds (i.e., State Administration may not exceed 5%, State Leadership Activities may not exceed 12.5%, and Local Awards must total 82.5% or more of total grant funds).

<sup>1</sup> The number of clients with attendance projection was developed using data from April 1, 2014 through March 31, 2015.

<sup>2</sup> The Child Care Automated Attendance Tracking funding distribution is equal to \$2.79 per projected client with Attendance.

<sup>3</sup> The Commission approved Texas Rising Star Staff Funding Initiative applies a ratio of one full-time equivalent staff to 30 existing and new TRS-certified providers from the prior year to determine the number of mentoring and assessment staff per workforce area. <sup>3</sup> The TWC/BLS Occupational Employment Statistics (OES) Wage Survey was produced by TWC's LMCI Department.

<sup>4</sup> Texas Rising Star (TRS) Staff Funding Distribution approved by the Commission to support mentoring and assessment for child care providers, in order to achieve an increased number of TRS-certified providers per workforce area, based on a ratio of staff to existing or estimated new TRS providers.

<sup>1</sup> At least 80 percent of the Employment Services funds available to the Commission are allocated to the workforce areas on the basis of the established formula utilized by the Federal Government to allot the funds to Texas, based two-thirds on the relative proportion of the total civilian labor force residing within the workforce area to the statewide total civilian labor force and one-third on the relative proportion of the total number of unemployed individuals residing within the workforce area to the statewide total number of unemployed individuals, and application of a hold harmless/stop gain procedure. [TWC Rules §800.57(b)]

<sup>2</sup> Employment Services allocations exclude amounts for personnel fringe benefits.

<sup>3</sup> The Migrant & Seasonal Farmworker (MSFW) distribution amounts are not part of Employment Services allocations, but are customarily included on this schedule. For FY 2016, the MSFW distribution amount per pertinent workforce area is determined on the basis of the relative proportion of MSFWs served from April 2014 through March 2015, provided that no workforce area will receive a distribution of any less than 90 percent of the proportion of MSFW funds received in FY 2015.

<sup>1</sup> At least 80 percent of the Supplemental Nutrition Assistance Program (SNAP) Employment and Training funds available to the Commission are allocated to the workforce areas using a need-based formula, in order to meet state and federal requirements, on the basis of the relative proportion of the total unduplicated number of mandatory work registrants receiving food stamps residing within the workforce area during the most recent calendar year to the statewide total number of unduplicated mandatory work registrants receiving food stamps, an equal base amount, and application of a hold harmless/stop gain procedure. [TWC Rules §800.54(b)]

<sup>2</sup> Additional federal funds to serve only SNAP Employment & Training able-bodied adults without dependents (ABAWD) may be forthcoming later during the program year, as they have been every year since authorization in FY 2002. Any such additional ABAWD-only federal funds made available as a supplemental allocation are not reflected in the allocation amounts for FY 2014 and FY 2015 on this sheet, or assumed in the allocations for FY 2016; however, separate columns indicate those supplemental allocation amounts and the FY 2016 Planning Estimates for SNAP Employment & Training ABAWD-only. Texas' proportion of an estimated \$20 million in national ABAWD-Only funding is customarily made available by the U.S. Department of Agriculture, Food and Nutrition Service, sometime after the beginning of the program year. These ABAWD-Only funds will be allocated at that time to workforce areas, in the same relative proportions as the original allocation.

<sup>1</sup> For Fiscal Year 2016, the Commission is exercising its authority as provided in TWC Rules [§800.51(f)] that, notwithstanding any other provision of the rules, the level of funding allocated to a workforce area may be determined, modified, or reallocated by the Commission to ensure full utilization of the funding, to ensure compliance with State and federal requirements applicable to the State, or to respond to unforeseen demographic or economic changes, and [§800.51(e)] that funds available to the Commission that are not otherwise allocated under this subchapter may be used by the Commission for purposes authorized by State and federal laws and regulations. The Commission has determined that the level of funding for a workforce area for aggregated TANF Choices, Employment Services, SNAP Employment & Training, and Workforce Innovation and Opportunity Act should not be lower than the average of the 20 percent of workforce areas that comprise the smallest allocations among all workforce areas. Therefore, the procedure by which amounts for FY 2016 to assure that workforce area combined allocations are no lower than the average of the smallest 20 percent is outlined above. If the average of the smallest 20 percent of workforce areas was larger the previous year, the larger amount will become the basis for the additional program funding amounts. A determination regarding additional program amounts will be made each year by the Commission subject to the availability of funds.
