

TEXAS WORKFORCE COMMISSION MEETING

The Texas Workforce Commission will conduct a work session beginning at:

9:45 a.m.
Thursday, August 17, 2017
Texas Workforce Commission
101 East 15th Street, Room 244
Austin, Texas 78701-0001

AGENDA

System Performance

Staff will brief the Commission concerning: the state of the Texas and national labor markets and economies; the Agency's budget and the status of all funding approved by the Commission; and the Texas Workforce System's performance on various state and federal performance measures as well as other performance-related areas of note.

Staff presentations may include discussion of issues contributing to variance from expectations and projections for the future. Agency staff may receive questions and direction from the Commission regarding how to address issues raised during staff presentations.

Information Technology

Staff will update the Commission on the following information technology projects: Enterprise Contracting System; PC Refresh; IT Enterprise Support Initiatives; Web Appeals Integration; Tele-Center Upgrade; Enhancements to UI Systems; Workforce and UI Portal; Plan Procurements for Long Term Solutions; Enhancements to Workforce Systems; Supply and Demand Tool. The Commission will discuss, consider and take possible action on staff recommendations regarding the performance and budget of these projects and ongoing Agency information technology operations.
