

## **TEXAS WORKFORCE COMMISSION MEETING**

The Texas Workforce Commission will visit the Victoria College Emerging Technology Complex, beginning at:

1:00 p.m.

Monday, November 13, 2017

Conference and Education Center

Industrial Training Center

7403 Lone Tree Road

Victoria, Texas 77905

The Emerging Technology Complex at Victoria College is a unique setting that brings together the best of business and industry into a multi-functional design that offers a variety of settings for training and development. The Conference and Education Center offers courses to meet the needs of the community in a variety of fields. They also customize training for local/regional employers.
