

Texas Back to Work - PSA's

:30

Attention Texas Employers! Earn up to \$2,000 for hiring out-of-work Texans through *Texas Back to Work*, a new program from your local Workforce Solutions office.

Newly-hired workers who'd been receiving unemployment benefits can qualify you for this cash incentive. For a list of Texas Workforce Solutions representatives across the state who can help you jump-start your hiring and earn up to \$2,000 per qualified employee, visit the Texas Workforce Commission Web site at www.texasworkforce.org.

Texas employers agree on the benefits of earning up to \$2,000 for hiring great new workers through *Texas Back to Work* from Texas Workforce Solutions.

“It’s really like having your own little HR recruiting agency working for you for free, and then you get these people on board and if they’re successful and stay for a certain number of weeks, you get paid back so, yea, you’d be crazy not to.”

For more information about *Texas Back to Work*, contact your local Workforce Solutions office.

Texas employers agree on the benefits of earning up to \$2,000 for hiring new workers through *Texas Back to Work* from Texas Workforce Solutions.

“Right now we have a win-win opportunity and everybody can be successful. You have the employer on one hand that needs skilled, positive workers. On the other hand, you have people with a strong desire to work with a proven work experience and who are coming to the table saying ‘choose me’. How can you lose?”
