

Texas Workforce Commission
Fair Housing Public Service Announcement

:30

Fair Housing means you may freely choose a place to live without regard to your race, color, religion, sex, national origin, disability or familial status.

Housing discrimination may be unintentional, but it is always against the law. Let's work together for fair housing.

Learn more about your rights and responsibilities at www.texasworkforce.org/civilrights or call 1-888-452-4778.
