1: The Commission is exercising authority as provided in TWC Rules [§800.51(f)] that, notwithstanding any other provision of the rules, the level of funding allocated to a workforce area may be determined, modified, or reallocated by the Commission. A workforce area funding level aggregated for each of WIOA, TANF Choices, SNAP E&T, and Employment Services should not be lower than an average of 20 percent of workforce areas (i.e., 6 LWDA's) that comprise the smallest allocations among all workforce areas.

2: A determination regarding program amounts will be made each year by the Commission subject to the availability of funds.
